

律 师 声 明

我，四川鼎尺律师事务所万森焱律师，以帮助过许多性别暴力受害者并让数十位性骚扰、性侵犯加害人受到法律惩罚的女律师身份，就胡女士于中文网络上对罗勉博士的指控作出如下声明：

一、我认同美国加州圣马提奥郡地方检察官办公室就胡女士2017年报警的罗勉博士性侵案于法律上不存在犯罪事实之司法认定。此认同立足于：

1、当言词证据的可信性有待考证时，当事人的动作、表情、体态就成为判断其陈述真实性的重要依据，此为刑事司法中的情态证据。如果胡女士遭受了违背意愿的性侵害，她本能的反应应该是痛苦和愤怒，即便有不得不与加害人继续保持亲昵举动的曲意逢迎，也不可能于离开密闭空间后的几分钟内便与加害人的亲密互动中呈现出轻松、开心的表情。

她与罗勉博士分开后主动报平安的聊天记录和次日发送诗歌邮件之书证，与斯坦福大学性别平等办公室调取的监控视频可以组成完整证据链，证实罗勉博士对案情的描述更符合普通人的正常行为反应。

2、我在工作中发现，不敢承受家庭或者伴侣关系破裂之后果，而转头指称遭受合意对象的性侵害，是中国女性虚假性侵指控的最高发诱因。且胡女士于“故事FM”和“小红书”上陈述的多年来承受的种种的心路历程，完全满足公众对完美受害人的期望。但据我的工作经验，若非刻意塑造，绝不可能有如此100%标准的教科书级的完美受害人。

3、胡女士所陈述的警方就她性侵指控案的刑事调查过程、她与男友被控袭击罪的刑事案件全过程，与我受美国国务院邀请参加国际领导力访问者项目时，同美国警察、检察官、法官交流中了解到的办案流程大相径庭。尤其是她对罗勉博士与她就袭击案打官司而导致她和男友被判刑入狱的陈述，完全违背了美国刑事诉讼的基本常识。

二、我已经接受罗勉博士的委托担任其代理律师，将诉诸于法律，让包括胡女士在内的恶意诽谤者承担其应得的法律责任。

Attorney's Statement

I am WAN Miaoyan, a female attorney at the Fides Law & Consultancy firm in Sichuan, China. I have assisted numerous genuine victims of sexual harassment and assault in China and successfully held dozens of perpetrators legally accountable.

I make the following statements regarding Ms. Hu's accusations against Dr. Jason Mian LUO on Chinese online and social media platforms.

First, I agree with the judicial determination by the San Mateo County's District Attorney's Office that there is no criminal fact in the case reported by Ms. Hu accusing Dr. Luo of sexual assault. My agreement is based on the following reasons:

I. When the credibility of verbal evidence is in question, the actions, expressions and body language of the parties involved become crucial for assessing the truthfulness of their statements. This is known as demeanor evidence in criminal justice. If Ms. Hu had been subjected to sexual assault, her instinctive reaction would have been one of pain and anger. Even if there were a need to maintain a façade of intimacy with the alleged perpetrator, it would be implausible for her to display relaxed and happy expressions in close interactions with the alleged perpetrator just minutes after leaving the confined space.

Furthermore, her messages to Dr. Luo, in which she voluntarily checked in to confirm her safe arrival at home, along with the email containing poetry she sent him the following morning, and the surveillance footage obtained by the Stanford Title IX Office, together form a complete chain of evidence. This chain of evidence supports the conclusion that Dr. Luo's account of the incident is more consistent with the typical behavior and reactions of an ordinary person.

II. In our work, we have found that one of the most common reasons for false allegations of sexual assault by women in China is the unwillingness to face the consequences of a breakup in family or partner relationships, leading them to accuse a consensual partner of sexual assault. Ms. Hu's narratives shared on *StoryFM* and *Xiaohongshu*, detailing her emotional journey over the years, perfectly aligns with the public's expectations of an ideal victim. However, based on my professional experience, such a flawless, textbook-level portrayal of an ideal victim is unlikely to emerge without deliberate construction.

III. Ms. Hu's account of the police investigation into her sexual assault allegation, as well as the criminal proceedings in which she and her boyfriend were charged with aggravated assault, is significantly inconsistent with the case-handling procedures described and shared by the U.S. police officers, prosecutors and judges during my invited participation in the International Visitor Leadership Program (IVLP) organized by the U.S. State Department. Notably, Ms. Hu's claim regarding Dr. Luo suing her and her boyfriend over the assault case, which allegedly resulted in their conviction and imprisonment, completely contradicts the common sense of U.S. criminal procedures.

Second, I have accepted Dr. Jason Mian Luo's appointment as his representing attorney and will pursue legal action to hold Ms. Hu and other malicious defamers accountable for the legal consequences they deserve.
